| European foreword .....  |  | 4           |
| Introduction .....   |  | 5           |
| 1  | Scope .....                              | 6           |
| 2  | Normative references .....               | 6           |
| 3  | Terms and definitions .....              | 7           |
| 4  | Operating Conditions .....               | 8           |
| 5  | Materials .....                          | 9           |
| 5.1  | General .....                            | 9           |
| 5.2  | Metallic materials .....                 | 9           |
| 5.3  | Non-metallic materials .....             | 9           |
| 5.4  | Lubricants, sealants and adhesives ..... | 10          |
| 6  | Design .....                             | 10          |
| 6.1  | General .....                            | 10          |
| 6.2  | Threads .....                            | 11          |
| 6.3  | Springs .....                            | 11          |
| 7  | Type testing .....                       | 11          |
| 7.1  | General .....                            | 11          |
| 7.2  | Test requirements .....                  | 12          |
| 7.3  | Dimensional checks .....                 | 13          |
| 7.4  | Hydraulic pressure proof test .....      | 13          |
| 7.5  | Leak tightness test before ageing .....  | 13          |
| 7.6  | Start to discharge pressure test .....   | 14          |
| 7.7  | Discharge capacity test .....            | 14          |
| 7.8  | Leak tightness tests .....               | 14          |
| 7.9  | Endurance test .....                     | 14          |
| 7.10   | Visual inspection .....                  | 15          |
| 8  | Test report .....                        | 15          |
| 9  | Production testing .....                 | 15          |
| 10   | Marking .....                            | 15          |
| 11   | Documentation .....                      | 16          |
| Annex A(informative) Terms used with PRVs .....                        |  | 17          |
| Annex B(normative) Special low temperature requirements for PRVs ..... |  | 18          |
| Annex C(normative) Sizing of PRVs for LPG cylinders .....              |  | 19          |
| Annex D(normative) Production testing .....                            |  | 20          |

|     |  |    |
