DIN EN ISO 6224:2012-02 (E)

Thermoplastics hoses, textile-reinforced, for general-purpose water applications - Specification (ISO 6224:2011)

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 5

4 Classification 5

5 Materials and construction 5

6 Dimensions 5
6.1 Inside diameters and tolerances on inside diameter 5
6.2 Concentricity 6
6.3 Tolerance on length 6
6.4 Minimum wall thickness 6

7 Physical properties 6
7.1 Thermoplastic materials 6
7.2 Finished hoses 7

8 Type, routine and production testing 7

9 Test certificate/report 7

10 Marking 8

11 Recommendations for packaging and storage 8

Annex A (normative) Type testing and routine testing 9

Annex B (informative) Recommended tests for production testing 10
