

ISO/TS 22640:2018-06 (E)

Rubber - Framework for physical and chemical characterization of tyre and road wear particles (TRWP)

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Terms and definitions	1
4	Physical characterization strategies	2
4.1	General	2
4.2	Morphology	2
4.3	Particle size	2
5	Chemical characterization strategies	2
5.1	General	2
5.2	General composition	3
5.3	Metallic content	3
5.4	Tyre element content	3
5.5	PAH content	3
6	Test report	4
