## Elastomeric-Waterstops for sealing joints in concrete - Part 1: Shapes and dimensions

---

### Contents

Page

Foreword .....	4
1 Scope .....	5
2 Normative references .....	5
3 Terms and definitions.....	5
4 Shapes and designation.....	6
4.1 Shapes .....	6
4.1.1 Elastomer centerbulb waterstops .....	6
4.1.2 Elastomer waterstops without a centerbulb.....	7
4.1.3 Elastomer capping joint waterstop .....	8
4.2 Designation .....	8
5 Requirements .....	8
5.1 Dimensions.....	8
5.2 External condition .....	9
5.3 Shapes .....	9
6 Marking .....	28
Bibliography .....	29
