ISO 22640:2023-06 (E)

Rubber - Framework for physical and chemical characterization of tyre and road wear particl es (TRWP)

Contents

Page

Foreword ..... **iv**

Introduction ..... **v**

1 Scope **1**

2 Normative references **1**

3 Terms and definitions **1**

4 Physical characterization strategies **2**
4.1 General 2
4.2 Morphology 2
4.3 Particle size distribution 2

5 Chemical characterization strategies **2**
5.1 General 2
5.2 General composition 3
5.3 Metallic content 3
5.4 Tyre element content 3
5.5 PAH content 3

6 Test report **4**

Bibliography **5**
