## Wood flooring and wood panelling and cladding - Determination of the resistance to chemical agents

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
Introduction .....		4
1	Scope .....	5
2	Normative references .....	5
3	Terms and definitions .....	5
4	Principle .....	5
5	Test pieces and test specimens .....	5
5.1	Dimensions .....	5
5.2	Sampling .....	6
6	Equipment and materials .....	6
6.1	Apparatus .....	6
6.2	Test equipment .....	7
6.3	Chemical agents .....	7
7	Procedure .....	9
7.1	Test pieces and test specimen .....	9
7.2	Chemical test .....	9
8	Examination of the test piece .....	9
8.1	Rating code .....	9
8.2	Procedure .....	10
9	Expression of results .....	10
9.1	For each test area .....	10
9.2	For each test agent .....	10
9.3	For the whole test .....	10
10	Test report .....	10
Annex A (informative) Direct light source .....		12
Bibliography .....		13
