

DIN 4754-3:2015-03 (E)

Heat transfer installations working with organic heat transfer fluids - Part 3: Level controller

Contents		Page
Foreword		4
Introduction		5
1	Scope	6
2	Normative references	6
3	Terms and definitions	6
4	Safety requirements	7
4.1	Materials, design	7
4.2	Leak-tightness	7
4.3	Measuring elements	7
4.4	Measuring vessels	8
4.5	Evaluation units	8
4.6	Measured value transmission	10
4.7	Function test	11
4.8	Other devices	11
5	Testing	11
5.1	Test objects and test documents	11
5.2	Test medium	12
5.3	Inspecting the design and test documents	12
5.4	Testing the leak-tightness	12
5.5	Testing the measured value transmission	12
5.6	Testing the switching points	12
6	Marking	13
Annex A (informative)	Test types	14
Bibliography		15
