Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1
3.1 Specification terms and definitions 1
3.2 Realization terms and definitions 6

4 Abbreviated terms 7

5 Overview of interface suites 7

6 Download interface suites 8
6.1 Interface suites for receiving components 8
6.2 Interfaces suites for initiation of component transfer 13

7 Realization overview 18

8 Download realization 19
8.1 Structure view 19
8.2 Behavior view 22
8.3 Deployment 38

Annex A (informative) Deployment example 39

Annex B (informative) Meta data for security parameters 46

Bibliography 61
