Foreword iv

Introduction v

1 Scope 1
1.1 Purpose 1
1.2 Field of application 1

2 Normative references 1

3 Terms and definitions 1

4 Requirements for a Certification Scheme 2

5 Knowledge and skills 3
5.1 Body of knowledge 3
5.1.1 Software engineering body of knowledge 3
5.1.2 Other technical knowledge requirements 3
5.1.3 Knowledge of appropriate standards 3
5.1.4 Domain knowledge 3
5.2 Cognitive levels 3
5.3 Skills 3
5.3.1 Software engineering skills 3
5.3.2 Generic professional skills 3
5.4 Performance levels 4

6 Evaluation of competence 4

7 Delegation 4

8 Code of ethics and professional practice 4

9 Maintenance of certification 5
9.1 Renewal of certification 5
9.2 Continuing professional development 5

Bibliography 7
