Image technology colour management - Black point compensation

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Requirements 2
4.1 Constraints 2
4.2 Computation 3
4.2.1 Outline 3
4.2.2 Functions used 3
4.2.3 Computing the SourceBlackPoint 4
4.2.4 Computing the DestinationBlackPoint for ICC profiles that are not LUT-based 4
4.2.5 Computing the DestinationBlackPoint for ICC profiles that are LUT-based 5
4.2.6 Computing the mapping from SourceBlackPoint to DestinationBlackPoint 10
4.2.7 Applying the black point compensation in a colour conversion 11

Annex A (informative) Why black point compensation is neccessary 12
