## Systems and software engineering — System of systems (SoS) considerations in life cycle stages of a system

---

### Contents

|                |  |  |
|----------------|--|--|
|                | Foreword   |  |
| <b>1</b>       | <b>Scope</b>   |  |
| 1.1            | Purpose  |  |
| 1.2            | Field of application   |  |
| 1.3            | Limitations  |  |
| <b>2</b>       | <b>Normative references</b>  |  |
| <b>3</b>       | <b>Terms, definitions and abbreviated terms</b>  |  |
| 3.1            | Terms and definitions  |  |
| 3.2            | Abbreviated terms  |  |
| <b>4</b>       | <b>Concepts</b>  |  |
| 4.1            | System of systems  |  |
| 4.2            | Constituent systems  |  |
| 4.3            | System life cycle stages   |  |
| 4.4            | SoS technical base   |  |
| <b>5</b>       | <b>System of systems considerations in SoS life cycle stages</b>                                 |  |
| 5.1            | SoS considerations in the Concept Stage  |  |
| 5.1.1          | General  |  |
| 5.1.2          | Concept stage capability considerations  |  |
| 5.1.3          | Concept Stage technical considerations   |  |
| 5.1.4          | Concept Stage management considerations  |  |
| 5.2            | Addressing SoS considerations in the development stage   |  |
| 5.2.1          | General  |  |
| 5.2.2          | Development stage capability considerations  |  |
| 5.2.3          | Development stage technical considerations   |  |
| 5.2.4          | Development stage management considerations  |  |
| 5.3            | Addressing SoS considerations during the production stage  |  |
| 5.4            | Addressing SoS considerations during utilization and support stages                              |  |
| 5.4.1          | General  |  |
| 5.4.2          | Utilization and support stage capability considerations  |  |
| 5.4.3          | Utilization and support stage technical considerations   |  |
| 5.4.4          | Utilization and support stage management considerations  |  |
| 5.5            | Addressing SoS considerations in retirement stage  |  |
| <b>Annex A</b> | <b>(informative) System of systems technical base</b>  |  |
| <b>Annex B</b> | <b>(informative) Example SoS considerations in the life cycle stages of a constituent system</b> |  |
| <b>Annex C</b> | <b>(informative) Relationship to other standards</b>   |  |
