FOREWORD 5
INTRODUCTION 6
1 Scope 7
2 Normative references 7
3 Terms and definitions 7
4 Abbreviated terms 8
5 Overview of UWASN application profiles 8
5.1 Introduction to application profiles 8
5.2 Benefits of application profiles 8
6 Design process of UWASN application profiles 8
6.1 General 8
6.2 Criteria for the design process of UWASN application profiles 9
6.3 Design process steps for UWASN application profiles 9
7 Requirements for the design process of UWASN application profiles 9
7.1 General 9
7.2 User requirements of UWASN application profiles 10
7.3 General requirements of UWASN application profiles 10
7.4 Functional requirements of UWASN application profiles 11
7.5 Constrained requirements of UWASN application profiles 12
7.5.1 General 12
7.5.2 Connectivity 13
7.5.3 UWA-GW 13
7.5.4 UWA-DTN-GW 13
7.5.5 Housing case 13
7.5.6 Fouling cleaner 13
7.5.7 Node deployment 13
7.5.8 Battery 14
8 Modelling techniques for designing UWASN application profiles 14
8.1 General 14
8.2 Use case model 14
8.2.1 General 14
8.2.2 Elements of use case diagram 14
8.2.3 Relationships 15
8.3 Sequence diagram model 16
8.3.1 General 16
8.3.2 Elements of sequence diagram 16
8.4 Class diagram model 18
8.4.1 General 18
8.4.2 Elements of class diagram 18

9 Guidelines for the implementation of UWASN application profiles 19
9.1 Layered design approach for developing UWASN application profiles 19
9.2 Specific architecture for implementing UWASN application profiles 20
9.3 Framework for implementing UWASN application profiles 21
9.3.1 User interface 21
9.3.2 System calculation unit 22
9.3.3 Surface devices 22
9.3.4 Sensor node 22
9.4 Functional operations for implementing UWASN application profiles 23
10 Specialized maintenance for UWASN application profiles 24
Annex A (informative) Application profile example 26
A.1 Fish farming 26
A.1.1 General 26
A.1.2 Guidelines for designing UWASN fish farming application 26
A.1.3 Requirements for the design process of UWASN fish farming application 27
A.1.4 Modelling techniques for designing UWASN fish farming application 30
A.1.5 Guidelines for the implementation process of UWASN fish farming application 32
