ISO 22934:2021 (E)

Graphic technology — Communication of offset ink properties

Contents

Foreword

Introduction

1 Scope

2 Normative references

3 Terms and definitions

4 General requirements

5 List of ink properties to be communicated

5.1 General
5.2 Intended usage
5.3 Light fastness
5.4 Transparency
5.5 Drying mechanism
5.6 Resistance to solvents and alkali
5.6.1 Ethanol
5.6.2 Solvent mixture
5.6.3 Alkali
5.7 Fresh conditioning
5.8 Additional information
