| 4                     | Bar code printer and consumables .....                        | 5           |
| 4.1                   | Bar code printer .....  | 5           |
| 4.1.1                 | General requirements .....                                    | 5           |
| 4.1.2                 | Performance evaluation items and test methods .....           | 6           |
| 4.1.3                 | Performance ranking .....                                     | 15          |
| 4.2                   | Consumables (reception papers, labels and ribbons) .....      | 18          |
| 4.2.1                 | General requirement .....                                     | 18          |
| 4.2.2                 | Performance evaluation items and test methods .....           | 19          |
| 4.2.3                 | Performance ranking .....                                     | 21          |
| 4.3                   | Test report .....   | 23          |
| 5                     | Bar code reader .....   | 23          |
| 5.1                   | General .....   | 23          |
| 5.1.1                 | Principle .....   | 23          |
| 5.1.2                 | Ambient environment conditions .....                          | 24          |
| 5.2                   | Performance evaluation items and test methods .....           | 25          |
| 5.2.1                 | Test chart for reading performance tests .....                | 25          |
| 5.2.2                 | Reading performance .....                                     | 30          |
| 5.2.3                 | Electrical property .....                                     | 35          |
| 5.2.4                 | Environmental characteristic .....                            | 36          |
| 5.2.5                 | Mechanical properties .....                                   | 36          |
| 5.3                   | Performance ranking .....                                     | 38          |
| 5.3.1                 | General .....   | 38          |
| 5.3.2                 | Reading performance .....                                     | 38          |
| 5.3.3                 | Electrical property .....                                     | 41          |
| 5.3.4                 | Environmental characteristic .....                            | 42          |
| 5.3.5                 | Mechanical property .....                                     | 43          |
| 5.4                   | Test report .....   | 43          |
| Annex A (informative) | Standard image components corresponding to nominal dpi .....  | 45          |
| Annex B (informative) | Read record form .....  | 49          |
| Annex C (informative) | Outline of ISO/IEC 15416:2016, E.3 .....                      | 52          |
| Annex D (informative) | Test report .....   | 53          |
| Annex E (normative)   | Test chart for bar code reader reading performance test ..... | 57          |
