## Biometrics - Cross-jurisdictional and societal aspects of biometrics - General guidance

## Contents

Page

Foreword ..... iv

Introduction ..... v

1 Scope ..... 1

2 Normative references ..... 1

3 Termsanddefinitions ..... 1

4 Symbols and abbreviated terms ..... 3

5 Cross-jurisdictional and societal considerations ..... 3
5.1 General ..... 3
5.2 Cross-jurisdictional issues ..... 4
5.2.1 General ..... 4
5.2.2 Privacy aspects of biometric applications ..... 4
5.2.3 Privacy principles for biometric applications ..... 6
5.2.4 Further legal aspects ..... 8
5.3 Accessibility ..... 11
5.3.1 General ..... 11
5.3.2 Principles for less able subjects ..... 13
5.4 Health and safety ..... 14
5.4.1 General ..... 14
5.4.2 Addressing the health and safety issues ..... 15
5.4.3 Special cases ..... 15
5.5 Usability ..... 15
5.5.1 General ..... 15
5.5.2 Usability and the context of use ..... 15
5.6 Societal, cultural and ethical aspects of biometrics ..... 18
5.6.1 General ..... 18
5.6.2 Commonalities and diversities ..... 18
5.6.3 Multinational environments ..... 18
5.6.4 Anonymity ..... 18
5.6.5 Clothes, ornaments and traditions ..... 19
5.6.6 Compulsory participation ..... 19
5.7 Acceptance ..... 19
5.7.1 General ..... 19
5.7.2 Privacy and acceptance ..... 21
5.7.3 Reliability, performance and acceptance ..... 21
5.7.4 Recommended actions for acceptance testing ..... 21

Annex A (informative) Examples for consideration of cross-jurisdictional and societal aspects in biometric applications ..... 23

Bibliography ..... 30
