## Information technology - Software Carbon Intensity (SCI) specification

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Software sustainability actions .....	2
5	Procedure .....	2
6	Methodology summary .....	2
6.1	General .....	2
6.2	Operational emissions .....	3
6.2.1	General .....	3
6.2.2	Energy .....	3
6.2.3	Location-based marginal carbon intensity .....	3
6.3	Embodied emissions .....	3
6.4	Functional unit conversion .....	4
7	Software boundary .....	5
8	Functional unit .....	5
9	Quantification method .....	6
9.1	General .....	6
9.2	Measurement .....	6
9.3	Calculation .....	6
10	Comparing an SCI score to a baseline .....	6
11	Core characteristics .....	7
12	Exclusions .....	7
12.1	General .....	7
12.2	Market-based Measures .....	7
Bibliography .....		9
