

# ISO/IEC TS 13211-3:2025-06 (E)

## Programming languages - Prolog - Part 3: Definite clause grammar rules as an extension of ISO/IEC 13211-1

---

<b>Contents</b>		<b>Page</b>
Foreword . . . . .		iv
Introduction . . . . .		v
1 Scope . . . . .		1
2 Normative references . . . . .		1
3 Terms and definitions . . . . .		2
3.3 Grammar terms . . . . .		2
4 Symbols and abbreviations . . . . .		4
5 Conformance — (ISO/IEC 13211-1:1995: 5 Compliance) . . . . .		4
5.1 Prolog processor . . . . .		4
5.5 Extensions . . . . .		4
5.5.13 Grammar control constructs and built-in non-terminals . . . . .		4
6 Syntax . . . . .		5
6.1 Notation . . . . .		5
6.1.2 Abstract term syntax . . . . .		5
6.2.1 Prolog text . . . . .		5
7 Language concepts and semantics . . . . .		7
7.4 Prolog text . . . . .		7
7.4.2 Directives . . . . .		7
7.4.4 Grammar rules . . . . .		7
7.5 Database . . . . .		7
7.5.1 Preparing a Prolog text for execution . . . . .		7
7.13 Grammar rules . . . . .		7
7.13.1 Format of grammar rules . . . . .		7
7.13.2 Terminals and non-terminals, semicontext . . . . .		8
7.13.3 Non-terminal indicator . . . . .		10
7.13.4 Executing clauses expanded from grammar rules . . . . .		10
7.13.5 Logical expansion of grammar rules . . . . .		11
7.13.6 Definitions of grammar control constructs . . . . .		12
7.14 Grammar control constructs . . . . .		13
7.14.1 []//0 – empty terminal sequence . . . . .		13
7.14.2 '.'/2 – terminal sequence . . . . .		13
7.14.3 (' , ')//2 – concatenation . . . . .		13
7.14.4 (;)//2 – alternative . . . . .		13
7.14.5 (;)//2 with (->)//2 – if-then-else . . . . .		14
7.14.6 ('   ')//2 – second form of alternative . . . . .		14
7.14.7 {}//1 – grammar body goal . . . . .		14
7.14.8 call//1 . . . . .		15
7.14.9 phrase//1 . . . . .		15
7.14.10 !//0 – grammar body cut . . . . .		15
7.14.11 (\+)//1 – grammar body not . . . . .		15
7.14.12 (->)//2 – if-then . . . . .		16
8 Built-in predicates . . . . .		16
8.18 Grammar processing . . . . .		16
8.18.1 phrase/3, phrase/2 . . . . .		16
