|-----------------------------|--|-------------|
| Foreword .....              |  | iv          |
| Introduction .....          |  | v           |
| <b>1</b>                    | <b>Scope .....</b>                         | <b>1</b>    |
| <b>2</b>                    | <b>Normative references .....</b>          | <b>1</b>    |
| <b>3</b>                    | <b>Terms and definitions .....</b>         | <b>1</b>    |
| 3.1                         | General terms .....                        | 1           |
| 3.2                         | Identification .....                       | 3           |
| 3.3                         | Authenticating identity information .....  | 3           |
| 3.4                         | Management of identity .....               | 6           |
| 3.5                         | Federation .....                           | 8           |
| 3.6                         | Privacy protection .....                   | 8           |
| <b>4</b>                    | <b>Symbols and abbreviated terms .....</b> | <b>9</b>    |
| <b>5</b>                    | <b>Identity .....</b>                      | <b>9</b>    |
| 5.1                         | General .....                              | 9           |
| 5.2                         | Identity information .....                 | 10          |
| 5.3                         | Identifier .....                           | 11          |
| 5.4                         | Credential .....                           | 11          |
| 5.4.1                       | General .....                              | 11          |
| 5.4.2                       | Authenticator .....                        | 12          |
| 5.4.3                       | Credential management .....                | 13          |
| <b>6</b>                    | <b>Attributes .....</b>                    | <b>13</b>   |
| 6.1                         | General .....                              | 13          |
| 6.2                         | Types of attributes .....                  | 13          |
| 6.3                         | Domain of origin .....                     | 14          |
| <b>7</b>                    | <b>Managing identity information .....</b> | <b>15</b>   |
| 7.1                         | General .....                              | 15          |
| 7.2                         | Identity lifecycle .....                   | 15          |
| <b>8</b>                    | <b>Identification .....</b>                | <b>17</b>   |
| 8.1                         | General .....                              | 17          |
| 8.2                         | Verification .....                         | 18          |
| 8.3                         | Enrolment .....                            | 18          |
| 8.4                         | Registration .....                         | 18          |
| 8.5                         | Identity proofing .....                    | 19          |
| 8.5.1                       | General .....                              | 19          |
| 8.5.2                       | Identity evidence .....                    | 19          |
| <b>9</b>                    | <b>Authentication .....</b>                | <b>20</b>   |
| <b>10</b>                   | <b>Maintenance .....</b>                   | <b>20</b>   |
| <b>11</b>                   | <b>Implementation aspects .....</b>        | <b>20</b>   |
| <b>12</b>                   | <b>Privacy .....</b>                       | <b>21</b>   |
| <b>Bibliography .....</b>   |  | <b>22</b>   |
| <b>Index of terms .....</b> |  | <b>24</b>   |
