

# ISO/IEC 21481:2005-01 (E)

## Information technology - Telecommunications and information exchange between systems - Near Field Communication Interface and Protocol-2 (NFCIP-2)

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Conformance .....	1
3	Normative references .....	1
4	Terms and definitions .....	2
5	Conventions and notations .....	2
5.1	Names .....	2
6	External RF field threshold value .....	2
7	RF Field detection .....	2
8	Mode selection .....	3
9	RF detection and Initial RF generation .....	5
