Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Definitions 5

4 Principle 6

5 Required characteristics 6
5.1 General 6
5.2 Strength properties 6
5.3 Alkali reserve 6
5.4 Resistance to oxidation 6
5.5 pH value of aqueous extract 6

6 Report 6

7 Additional information 7

Annex A (normative) Special instruction for determining the Kappa number 8

Annex B (normative) Statement and symbol of compliance 9

Annex C (informative) Notes on accelerated ageing tests and optical properties 10

C.1 Accelerated ageing 10
C.2 Optical properties 10
