

# DIN EN ISO 11850:2012-05 (E)

## Machinery for forestry - General safety requirements (ISO 11850:2011)

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
Introduction .....		4
1	Scope .....	5
2	Normative references .....	5
3	Terms and definitions .....	7
4	Safety requirements and/or protective measures .....	7
4.1	General .....	7
4.2	Safety distances, guards, shields .....	8
4.3	Operator station .....	8
4.4	Access to operator's station and maintenance locations .....	10
4.5	Controls .....	11
4.6	Visibility .....	11
4.7	Lighting .....	14
4.8	Braking systems .....	14
4.9	Steering systems .....	14
4.10	Retrieval, tie-down and machine-lifting devices .....	14
4.11	Stability .....	15
4.12	Automatic processing systems .....	15
4.13	Electromagnetic compatibility .....	15
4.14	Fire risks .....	15
4.15	Noise .....	16
4.16	Vibration .....	16
4.17	Storage places .....	17
4.18	Maintenance .....	17
4.19	Winches .....	17
4.20	Hydraulic systems .....	17
5	Information for use .....	17
5.1	Operator's manual .....	17
5.2	Marking .....	19
5.3	Safety signs .....	20
Annex A (informative)	List of significant hazards .....	21
Bibliography .....		23
