<b>Contents</b>	<b>Page</b>
European foreword .....	3
Introduction .....	4
1 Scope.....	5
2 Normative references.....	5
3 Terms and definitions.....	5
4 Initial design considerations .....	5
4.1 General.....	5
4.2 System design considerations .....	6
4.2.1 Introduction.....	6
4.2.2 Interconnects .....	7
4.2.3 Maintainability strategy .....	8
4.3 Practical harness routing considerations.....	9
4.4 Securing and attachment mechanisms .....	9
4.5 Protection mechanisms .....	12
4.5.1 General.....	12
4.5.2 Conduit.....	12
4.6 Installation mechanisms .....	14
4.7 Through life support.....	15
4.8 Enabling fibre optic cable re-termination .....	15
4.9 Handling.....	17
Bibliography .....	18
