ISO 16454:2007-11 (E)

Space systems - Structural design - Stress analysis requirements

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Requirements 5
4.1 General 5
4.2 Basic data 5
4.3 Analysis methodology and software 7
4.4 Structural mathematical model 7
4.5 Structure mathematical model check 8
4.6 Failure modes 8
4.7 Critical location analysis 9
4.8 Determination margins of safety 9
4.9 Report 10

Annex A (informative) Structural mathematical model check 11
