# ISO 23461:2010-06 (E)

## Space systems - Programme management - Non-conformance control system

## Contents

Page

Foreword ..... iv

Introduction ..... v

1 Scope ..... 1

2 Normative references ..... 1

3 Terms and definitions ..... 1

4 Abbreviated terms ..... 2

5 Non-conformance control system -- basic requirements ..... 2
5.1 General principles ..... 2
5.2 Non-conformance classes ..... 2
5.3 Non-conformance review board ..... 3
5.4 Non-conformance dispositions ..... 4
5.5 Interfaces with internal non-conformance reporting and processing ..... 5

6 Non-conformance processing requirements ..... 5
6.1 General ..... 5
6.2 Immediate actions ..... 5
6.3 Report and recording ..... 6
6.4 Processing by internal NRB ..... 6
6.5 Processing by customer NRB ..... 7
6.6 Corrective and preventive actions ..... 8
6.7 Implementation of action and non-conformance close-out ..... 8

7 Special non-conformance control requirements ..... 9
7.1 Non-conformance of EEE components ..... 9
7.2 Software non-conformances ..... 10
7.3 Operation non-conformances and anomalies ..... 10

8 Documentation requirements ..... 12
8.1 Non-conformance report ..... 12
8.2 Formats for non-conformance reporting ..... 12
8.3 Non-conformance summary status report ..... 12

9 Record requirements ..... 13
9.1 Records associated with non-conformances ..... 13
9.2 Non-conformance database ..... 13
9.3 Analysis of records ..... 13

Annex A (informative) Non-conformance processing flow chart ..... 15

Annex B (informative) Non-conformance report (recommended format) ..... 16
