## Space systems - Probabilistic risk assessment (PRA)

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms, definitions and abbreviated terms .....	1
3.1	Terms and definitions .....	1
3.2	Abbreviated terms .....	3
4	Principles of probabilistic risk assessment .....	4
4.1	General .....	4
4.2	Safety risk assessment concept .....	5
4.3	Concept of risk and probabilistic risk assessment .....	7
5	Objectives, uses, and benefits of probabilistic risk assessment .....	8
6	PRA requirements and process .....	10
6.1	Probabilistic risk assessment requirements .....	10
6.2	Overview of the probabilistic risk assessment process .....	10
6.3	Probabilistic risk assessment tasks .....	10
7	Peer review .....	15
7.1	General .....	15
7.2	Internal peer reviews .....	15
7.3	External peer reviews .....	15
8	Probabilistic risk assessment report -- data content requirements .....	16
Bibliography .....		17
