Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Abbreviated terms 5

5 Requirements 5
5.1 General 5
5.2 Design requirements 6
5.3 Material requirements 8
5.4 Fabrication and process control requirements 9
5.5 Quality assurance requirements 9
5.6 Operation and maintenance requirements 10
5.7 Specific qualification test requirements 12

Annex A (informative) Design safety factors 14
