ISO 16694:2015-03 (E)

Space systems - The measured parameters at firing bench and flight tests of liquid rocket engines

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Symbols and abbreviations 1

4 General 2
4.1 Classification of measured parameters 2
4.2 Firing stand and flight tests operation conditions 3

5 The measured parameters at tests of LRE 3
5.1 The measured parameters at firing stand test of LRE 4
5.2 The measured parameters at flight tests of LRE 4
