Foreword iv

Introduction v

1 Scope 1

2 Terms and definitions 1

3 Symbols and abbreviated terms 2

4 Mechanical interfaces 2

5 Electrical interfaces 5

6 RF/electromagnetic interface 8

7 Mission performance 9

8 Induced environment and load limitations 14

9 Verification analysis and documentation 16

10 Verification tests 20

11 Spacecraft launch preparation operations 23

Annex A (informative) Usable envelopes 26

Annex B (informative) Physical interface presentations 31

Annex C (informative) Performance presentations 34

Annex D (informative) Environment presentations 40

Annex E (informative) Verification 52
