# ISO 14624-7:2006-04 (E)

## Space systems - Safety and compatibility of materials - Part 7: Determination of p ermeability and penetration of materials to aerospace fluids

## Contents

Page

Foreword ..... iv

Introduction ..... v

1 Scope ..... 1

2 Normative references ..... 1

3 Terms and definitions ..... 1

4 Safety precautions ..... 2
4.1 Laboratory facilities ..... 2
4.2 Protective clothing ..... 2

5 Test procedure ..... 2
5.1 Inspection of sample on receipt ..... 2
5.2 Preparation of sample ..... 2
5.3 Penetration test ..... 3
5.4 Permeation test ..... 4

Annex A (informative) Examples of forms ..... 7

Bibliography ..... 9
