

DIN EN ISO 11463:2008-08 (E)

Corrosion of metals and alloys - Evaluation of pitting corrosion (ISO 11463:1995)

Contents		Page
Foreword		3
Introduction		4
1	Scope	5
2	Normative reference	5
3	Identification and examination of pits	5
3.1	Visual inspection	5
3.2	Non-destructive inspection	6
3.2.1	Radiographic	6
3.2.2	Electromagnetic	6
3.2.3	Sonics	7
3.2.4	Penetrants	7
3.4.5	Replication	7
4	Extent of pitting	7
4.1	Mass loss	7
4.2	Pit depth measurement	7
4.2.1	Metallography	7
4.2.2	Machining	7
4.2.3	Micrometer or depth gauge	7
4.2.4	Microscopy	8
5	Evaluation of pitting	8
5.1	General	8
5.2	Standard charts	8
5.3	Metal penetration	8
5.4	Statistical	9
5.5	Loss in mechanical properties	10
6	Report	10
7	Additional information	11
Annex A (informative) Repeatability of measurements by use of a microscope		12
Bibliography		14
