# DIN EN 15103:2010-04 (E)

## Solid biofuels - Determination of bulk density

## Contents

Page

Foreword ..... 3

Introduction ..... 4

1 Scope ..... 5

2 Normative references ..... 5

3 Terms and definitions ..... 5

4 Symbols and abbreviations ..... 5

5 Principle ..... 6

6 Apparatus ..... 6

7 Sample preparation ..... 7

8 Procedure ..... 8

9 Calculation ..... 8

10 Test report ..... 9

11 Precision ..... 9

Annex A (informative) Relative increase of bulk density determinations for solid biofuels: Application with shock impact versus application without shock impact ..... 11

Bibliography ..... 12
