ISO 10638:2010-07 (E)

Rubber - Identification of antidegradants by gas chromatography/mass spectrometry

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Principle 1

4 Thermal-desorption method 2
4.1 Reagents and materials 2
4.2 Apparatus 2
4.3 Sampling 3
4.4 Procedure 3

5 Solvent-extraction method 3
5.1 Reagents and materials 3
5.2 Apparatus 3
5.3 Sampling 3
5.4 Procedure 3

6 Determination of gas-chromatographic retention index 4

7 Analysis 4

8 Test report 4

Annex A (normative) Antidegradants covered by this International Standard 5

Annex B (informative) Chromatograms and mass spectra 8

Annex C (normative) Determination of gas-chromatographic retention index 40
