

DIN EN ISO 8565:2011-09 (E)

Metals and alloys - Atmospheric corrosion testing - General requirements (ISO 8565:2011)

Contents		Page
Foreword		3
Introduction		4
1	Scope	5
2	Normative references	5
3	Requirements for test specimens	5
4	Atmospheric corrosion test sites	8
5	Test site characterization	10
6	Operating conditions	11
7	Test procedure	12
8	Test report	12
Annex A (normative) Environmental factors characterizing atmospheric exposure conditions		14
Bibliography		15
