

ISO 28600:2011-07 (E)

Surface chemical analysis - Data transfer format for scanning-probe microscopy

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Description of the format	1
3.1	General	1
3.2	The components of the meta-language	2
3.3	Basic structure	2
3.4	Header structure	2
3.5	Basic definitions of the common terms	3
3.6	Definitions of header items	3
3.7	Data array conventions for mapping	9
3.8	Measurement geometry	11
	Annex A (informative) Spatial geometry and types of scanner	12
	Annex B (informative) Data acquisition geometry	15
	Annex C (informative) Annotated examples of the data format	16
	Annex D (informative) Examples of the data format	26
	Bibliography	27
