

DIN EN ISO 11699-1:2012-01 (E)

Non-destructive testing - Industrial radiographic films - Part 1: Classification of film systems for industrial radiography (ISO 11699-1:2008)

Contents		Page
Foreword	3
1	Scope	4
2	Normative references	4
3	Terms and definitions	4
4	Sampling and storage	5
5	Test method	6
5.1	Preparation	6
5.2	Measurement of gradient G	6
5.3	Measurement of granularity D	7
5.4	Measurement of ISO speed S	8
5.5	Other equipment and procedures	9
6	Limiting values for classification	9
