

DIN 50958:2012-12 (E)

Electroplated coatings - Modified corrodokote corrosion test (mod. CORR-Test)

Contents		Page
Foreword		3
1	Scope	5
2	Normative references	5
3	Principle	5
4	Samples	5
5	Apparatus	5
6	Slurry preparation and reagents	6
7	Procedure	6
7.1	Cleaning of samples before applying the slurry	6
7.2	Application of slurry	6
7.3	Conditioning of samples in the controlled-atmosphere test chamber	6
7.4	Test climate	6
7.5	Test cycle	6
7.6	Repeated conditioning of the samples in the controlled-atmosphere test chamber	6
8	Evaluation	7
9	Test report	7
