

DIN EN ISO 16373-3:2014-10 (E)

Textiles - Dyestuffs - Part 3: Method for determination of certain carcinogenic dyestuffs (method using triethyl amine/methanol) (ISO 16373-3:2014)

Contents		Page
Foreword		3
Introduction		4
1	Scope	5
2	Terms and definitions	5
3	Principle	5
4	Safety precautions	6
4.1	General	6
4.2	Handling	6
5	Apparatus	6
6	Reagents	7
7	Test specimen sampling and preparation	7
7.1	General	7
8	Procedure	7
8.1	Extraction	7
8.2	Detection, identification and quantification of carcinogenic dyestuffs	8
9	Test report	8
Annex A (informative) Chromatographic analysis		9
Annex B (informative) Round robin test results		26
Bibliography		31
