Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Principle 5
4.1 Slip resistance 5
4.2 Displacement space 5

5 Testing of slip resistance 5
5.1 Apparatus and test equipment 5
5.1.1 Testing footwear 5
5.1.2 Test apparatus with safety equipment 5
5.1.3 Lubricant 6
5.1.4 Flooring test piece 6
5.2 Calibration (selection and training of the testers) 7
5.3 Procedure 8
5.4 Evaluation 8
5.5 Classification 9

6 Measurement of the displacement space 9
6.1 General 9
6.2 Test apparatus 9
6.3 Test specimen 9
6.4 Determination of paste density 9
6.5 Procedure 10
6.6 Evaluation and classification 10

7 Test report 10

Annex A (informative) Testing process 11

A.1 Calibration 11
A.2 Procedure 11
A.3 Evaluation 11
A.4 Classification 11

Annex B (informative) Outsoles of the testing footwear 12
