

# DIN EN ISO 6506-3:2015-02 (E)

Metallic materials - Brinell hardness test - Part 3: Calibration of reference blocks (ISO 6506-3:2014)

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
1	Scope .....	4
2	Normative references .....	4
3	Manufacture of reference blocks .....	4
4	Calibration machine .....	5
5	Calibration procedure .....	6
6	Number of indentations .....	6
7	Non-uniformity of reference block .....	7
8	Marking .....	7
9	Validity .....	8
Annex A (informative) Uncertainty of the mean hardness value of reference blocks .....		9
Bibliography .....		13
