ISO 20298-1:2018 (E)

Fine bubble technology — Sampling and sample preparation for measurement — Part 1: Ultrafine bubble dispersion in water

Contents

Foreword

Introduction

1 Scope

2 Normative references

3 Terms and definitions

4 Liquids for sampling and sample preparation

5 Sampling

- 5.1 General
- 5.2 Apparatus
- 5.3 Cleaning of apparatus
- 5.4 Sampling procedure

6 Sample preparation

7 Records

Annex A (informative) Homogeneity

Annex B (informative) Example of procedure to dilute UFBD and related record

- B.1 Example of dilution procedure
- B.2 Measurement of the UFBD number concentration
- B.3 Record of sampling and sample preparation for the measurement described in B.2
