## PVD multi-layer hard coatings - Composition, structure and properties

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Samples for composition, structure and properties evaluation .....	1
5	Testing of composition, structure and properties .....	1
5.1	Testing of chemical composition .....	1
5.2	Testing of layer structure .....	2
5.3	Testing of surface deficiency .....	3
5.4	Testing of thickness .....	4
5.5	Testing of properties .....	4
5.5.1	Hardness .....	4
5.5.2	Friction and wear .....	6
Annex A (informative) Sample preparation and operation of transmission electron microscopy .....		7
Annex B (informative) Example of a surface deficiency rate calculation .....		9
