## Reload startup physics tests for pressurized water reactors

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Relation to other standards .....	3
5	Physics test program and selection criteria .....	3
5.1	Bases for startup physics test program .....	3
5.2	Required minimum test program .....	4
5.3	Test program considerations .....	5
6	Test method requirements .....	6
6.1	General .....	6
6.2	General test considerations .....	6
6.2.1	Test objective .....	6
6.2.2	Test purpose .....	6
6.2.3	Initial conditions .....	6
6.2.4	Test methods .....	6
6.2.5	Evaluation .....	6
6.3	Test criteria .....	7
7	Requirements of this document .....	7
Annex A (informative)	User guidance .....	8
Bibliography .....		27
