Plastics - Ion exchange resin - Part 2: Determination of water content of anion exchange resins in hydroxide form by centrifugation

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Terms and definitions	1
4	Principle	1
5	Reagents	2
6	Apparatus	2
7	Samples	3
8	Procedure	3
8.1	Removal of the external water	3
8.2	Determination of water content	3
9	Calculation	4
10	Test Report	4
Annex A (normative) Sampling		5
Annex B (informative) Formulae and derivations		7
