## Nanotechnologies - Vocabulary - Liposomes

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
3.1	Core terms related to liposomes .....	1
3.2	Terms related to lipid-bilayer vesicles .....	2
3.3	Terms related to the components and regions of liposomes .....	3
3.4	Terms related to the characteristics and formation of liposomes .....	4
	Bibliography .....	7
	Index .....	8
