## Physical vapor deposition (PVD) coatings - Contact angle measurement of metallic hydrophobic PVD coatings

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Principle .....	1
5	Samples for contact angle evaluation .....	2
6	Contact angle measurement .....	3
6.1	General .....	3
6.2	Contact angle measurement environment .....	3
6.3	Droplet size .....	3
6.4	Contact angle measurement time since deposition .....	4
6.5	Surface quality requirements .....	4
6.6	Chemical composition .....	5
6.7	Surface free energy .....	5
Bibliography .....		7
