

ISO 17297:2025-05 (E)

Microbeam analysis - Focused ion beam application for TEM specimen preparation - Vocabulary

Contents		Page
Foreword		iv
Introduction		v
1 Scope		1
2 Normative references		1
3 Terms related to the physical basis of the FIB system		1
4 Terms related to FIB instrumentation		5
5 Terms related to TEM sample preparation by FIB		10
6 Terms related to scanning ion and scanning electron microscopy using the FIB-SEM system		11
Bibliography		14
Index		15
