## Non-destructive testing - Ultrasonic testing - Vocabulary

---

| <b>Contents</b>           |   | <b>Page</b> |
|---------------------------|---|-------------|
| Foreword.....             |   | iv          |
| <b>1</b>                  | <b>Scope</b> .....  | <b>1</b>    |
| <b>2</b>                  | <b>Normative references</b> .....                             | <b>1</b>    |
| <b>3</b>                  | <b>Terms and definitions</b> .....                            | <b>1</b>    |
| <b>4</b>                  | <b>Terms related to frequencies, waves and pulses</b> .....   | <b>1</b>    |
|                           | 4.1 Frequencies.....  | 1           |
|                           | 4.2 Waves and pulses.....                                     | 3           |
|                           | 4.3 Types of ultrasonic waves.....                            | 5           |
| <b>5</b>                  | <b>Terms related to sound</b> .....                           | <b>6</b>    |
|                           | 5.1 Sound generation and reception.....                       | 6           |
|                           | 5.2 Sound propagation.....                                    | 7           |
|                           | 5.3 Loss of sound pressure.....                               | 10          |
|                           | 5.4 Ultrasonic waves at interfaces.....                       | 10          |
| <b>6</b>                  | <b>Terms related to test equipment</b> .....                  | <b>14</b>   |
|                           | 6.1 Instrument.....   | 14          |
|                           | 6.2 Probes.....   | 16          |
|                           | 6.3 Combined test equipment.....                              | 23          |
|                           | 6.4 Instrument setting, reference blocks and test blocks..... | 24          |
| <b>7</b>                  | <b>Terms related to ultrasonic testing</b> .....              | <b>25</b>   |
|                           | 7.1 Testing techniques.....                                   | 25          |
|                           | 7.2 Test object.....  | 30          |
|                           | 7.3 Coupling.....   | 32          |
|                           | 7.4 Reflectors.....   | 32          |
|                           | 7.5 Signals and indications.....                              | 33          |
|                           | 7.6 Presentations.....  | 35          |
|                           | 7.7 Location.....   | 39          |
|                           | 7.8 Evaluation of indications.....                            | 41          |
| <b>Bibliography</b> ..... |   | <b>44</b>   |
| <b>Index</b> .....        |   | <b>45</b>   |
