# ISO 23699:2026-09 (E)

## Microbeam analysis - Electron backscatter diffraction - Vocabulary

## Contents

Page

Foreword ..... iv

Introduction ..... v

1 Scope ..... 1

2 Normative References ..... 1

3 Terms and definitions ..... 1

4 Terms related to the physical basis of electron backscatter diffraction ..... 1

5 Terms related to EBSD instrumentation or hardware ..... 4

6 Terms related to operation or data acquisition ..... 5

7 Terms related to data display and analysis ..... 7

Bibliography ..... 11

Index ..... 12
