Foreword.....	3
1 Scope .....	4
2 Normative references .....	4
3 Terms and definitions.....	4
4 Apparatus and material .....	4
4.1 Water vapour permeability test method .....	4
4.2 Water vapour absorption test method (see Figure 2) .....	6
5 Sampling and conditioning.....	7
5.1 Water vapour permeability test method .....	7
5.2 Water vapour absorption test method.....	8
6 Test method.....	8
6.1 Water vapour permeability test method .....	8
6.2 Water vapour absorption test method.....	9
7 Expression of results .....	10
7.1 Water vapour permeability test method .....	10
7.2 Water vapour absorption test method.....	10
8 Test report .....	11
8.1 Water vapour permeability test method .....	11
8.2 Water vapour absorption test method.....	11
