

DIN EN ISO 6506-3:2006-03 (E)

Metallic materials - Brinell hardness test - Part 3: Calibration of reference blocks (ISO 6506-3:2005)

Contents		Page
Foreword	2
Introduction	4
1	Scope	5
2	Normative references	5
3	Manufacture of reference blocks	5
4	Calibration machine	6
5	Calibration procedure	7
6	Number of indentations	7
7	Uniformity of hardness	8
8	Marking	8
9	Validity	9
Annex A (informative) Uncertainty of measurement of hardness reference blocks		10
Bibliography		13
